

## July 2<sup>nd</sup>, 2014 Patch Notes

### Instances

1. Chief Mate Menekiki has returned from his unannounced vacation.

### Abyss

1. Krotan, Miren, and Kysis Rank 4 rewards have been fixed, and will now give a Ceramium Medal instead of Mithril Medals.

### Quests

1. The Elyos quest “[Coin] Hostile Takeover” and the Asmodian quest “[Coin] Fool Me Once, and You’re Dead” now show the correct quest objectives.

### Items

1. Lockboxes have had their rewards updated. The new list of items can be found on the store page for each key.
2. Fixed an issue where the Letter Collector Bundles from The Lost Word event had incorrect loot tables. They are now the same as when the event was active.

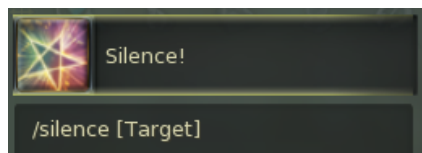

## UI

1. Fixed an issue where the current character was not being automatically selected when purchasing on the Black Cloud Marketplace from within the game.

## System

1. A new silencing feature has been added as part of our efforts to combat spam.

- To use the feature, type `/silence [Character Name]` into chat.
- When a character gets enough reports, none of their chat messages will be visible to other players.
- Abuse of this feature will result in harsh punishment. Please make sure you are reporting only illegitimate players.
- The `/silence` function does not have a UI component, but the following Macro can be created to silence a targeted character:

## Events

1. The Purple Reign event has started and will run for 2 weeks.

## Miscellaneous

1. Various minor text fixes to item names, quest dialogs, and dictionary entries.
